CALCULATING SHIPPING & TAX

Our standard shipping is 5-7 business days via the USPS and starts at **\$5.00** but can increase based on the size/weight of your package(s). Some states require we collect sales tax on shipping costs. Your actual shipping charges and tax will be emailed to you prior to processing your order.

To get the exact amounts, either use our online checkout page or contact customer service at 860-376-5514
